# Fashion Backgrounds

- We offer a wide variety of different "fashion" backgrounds, which can either be used on their own or with the addition of a logo. These are particularly suitable for corporate uniforms, whether it is a subtle or flamboyant design you are looking for.

- Ties based on one of the following designs should be costed from our Fashion Price list (see below)

- The majority of these patterns require the use of a fine denier yarn (see shade cards)

- All are available either in polyester, poly/silk or 100% silk.
